#### Cook the Rice

Pour the water for the rice (see pantry for amount) into a medium saucepan with a tight-fitting lid.

Stir in the rice and 1/4 tsp salt and bring to the boil. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the rice will continue to cook in its own steam).

#### **Prep Time**

Meanwhile, halve, peel and chop the shallot into small pieces. Peel and grate the garlic (or use a garlic press).

Halve the red chilli (see ingredients for amount) lengthways, deseed and finely chop.

Trim the green beans, then cut into thirds.

## Stir-Fry the Green Beans

Heat a drizzle of **oil** in a frying pan on medium-high heat.

Once hot, add the green beans and stir-fry until starting to char, 2-3 mins.

Add a splash of water and immediately cover with a lid or some foil. Cook until the **beans** are tender, 4-5 mins, then transfer to a bowl for later.

#### Fry the Mince

Return the (now empty) frying pan to medium-high heat. Once hot, add the pork mince and stir-fry until browned, 5-6 mins..

Use a spoon to break it up as it cooks, then drain and discard any excess fat. IMPORTANT: Wash your hands and equipment after handling raw mince. It's cooked when no longer pink in the middle.

Add the shallot, garlic and red chilli (add less if you'd prefer things milder). Cook until fragrant, another 2-3 mins.

#### **CUSTOM RECIPE**

If you've chosen to get beef mince instead of pork, cook the recipe in the same way.

#### **Bring Back the Beans**

Return the steam-fried green beans to the mince pan.

Add the **ketjap manis** and **soy sauce**, then stir everything together until piping hot.

Remove from the heat. Add a splash of water if it's a little thick.

#### **Finish and Serve**

Fluff up the rice with a fork and share between your bowls.

Top with the Thai style pork stir-fry.

Enjoy!
