Bake the Potatoes

Preheat your oven to 240°C/220°C fan/gas mark 9.

Halve the **potatoes** lengthways and pop them onto a baking tray. Drizzle with oil and season with salt and pepper.

Rub the oil over the potatoes, then lay them cut-side down.

When the oven is hot, bake on the top shelf until tender and a knife slips in easily, 30-40 mins.

Get Prepped

Meanwhile, grate the cheese.

Finely chop the **chives** (use scissors if easier). Roughly chop the pecans.

Quarter, core and thinly slice the **apple** (no need to peel). Peel and grate the garlic (or use a garlic press).

Meanwhile, heat a drizzle of oil in a large saucepan on medium-high heat.

Once hot, add the garlic and fry for 30 secs.

If you've chosen to add diced chorizo to your meal, add it to the pan before the **garlic** and fry until it starts to brown, 3-4 mins, then add the garlic and continue as instructed.

Make your Rarebit Sauce

Stir the creme fraiche, veg stock paste, Worcester sauce, water for the sauce (see pantry for amount) and two thirds of the wholegrain mustard into the garlic. Simmer until thickened, 3-4 mins.

Stir through the **cheese** until melted. Taste and season with **salt** and **pepper** if needed. Add a splash of water if it's a little too thick.

Remove from the heat and set aside.

Dress to Impress

In a medium bowl, add the **sliced apple**, remaining mustard, honey and olive oil for the dressing (see pantry for both amounts).

Season with salt and pepper, then toss to combine. Set aside.

Finishing Touches

When the **potatoes** are ready, reheat your rarebit sauce.

Remove the **potatoes** from the oven and use a fork to lightly mash a spoonful of sauce into the cut sides of the **potatoes**.

Toss the baby leaf mix with the apple and honey dressing.

Serve Up

Share your **baked potatoes** between your plates. Spoon over the remaining rarebit sauce, then sprinkle over the chives.

Serve the **apple salad** alongside topped with a sprinkling of pecans.

Enjoy!
