Get Prepped

Bring a large saucepan of water to the boil with 1/4 tsp salt for the noodles.

Halve the bell pepper and discard the core and seeds. Slice into thin strips, then chop into thirds.

Halve the sugar snap peas lengthways. Trim and thinly slice the **spring onion**. Peel and grate the garlic (or use a garlic press).

Stir-Fry the Veg

Meanwhile, heat a drizzle of oil in a large frying pan on medium-high heat.

Once hot, add the pepper and season with salt and pepper. Fry until starting to soften, 3-4 mins.

Add the **sugar snaps**, stirring occasionally until softened, 2-3 mins more.

Add the garlic, cook for 1 min, then transfer the cooked veg to a medium bowl. Set aside.

Fry the Chicken

In a large bowl, add the diced chicken, cornflour and a pinch of salt and pepper. Toss to coat.

Pop your (now empty) frying pan back on mediumhigh heat with a drizzle of oil if needed.

Once hot, add the **chicken**. Fry until golden brown on the outside and cooked through, 8-10 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

CUSTOM RECIPE

If you've chosen to get diced chicken breast instead of **thigh**, cook the recipe in the same way.

Cook the Noodles

While the **chicken** cooks, add the **noodles** to the pan of **boiling water**. Cook until tender, 4 mins.

Once cooked, drain in a sieve and run under cold water to stop them sticking together.

Sauce Things Up

Once the chicken is cooked, add the cooked veg back into the pan.

Lower the heat to medium, then add the **ketjap** manis, rice vinegar, ketchup, sugar and water for the sauce (see pantry for all three amounts). Stir to combine and simmer until the **sauce** has reduced slightly, 2-3 mins. Remove from the heat and season to taste.

Finish and Serve

Add the cooked noodles to the chicken stir-fry and toss to coat well in the sauce. Add a splash of water if it needs loosening.

Share between your bowls and sprinkle over the spring onion to finish.

Enjoy!
