Get Prepping

- Trim the **green beans**, then cut into thirds.
- Peel and grate the **garlic** (or use a garlic press).

Char the Beans

- Heat a drizzle of **oil** in a medium saucepan on medium-high heat.
- Once hot, add the **green beans** and stir-fry until starting to char and soften, 2-3 mins.
- Turn the heat down to medium, then stir in the **garlic** and cook for 30 secs more.

Make the Couscous

- Once the **beans** have softened, stir the **water for the couscous** (see pantry for amount) and **chicken stock paste** into the pan. Bring to the boil.
- When boiling, remove from the heat, stir in the **couscous** and cover with a tight-fitting lid.
- Leave to the side for 8-10 mins or until ready to serve.

Fry your Chicken

- Meanwhile, heat a drizzle of **oil** in a large frying pan on medium-high heat.
- Once hot, add the **diced chicken** and season with **salt** and **pepper**.
- Fry until golden brown on the outside and cooked through, 8-10 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

Finishing Touches

- Meanwhile, cut the **tomato** into 1cm chunks and pop into a bowl. Drizzle with **olive oil** and season with **salt** and **pepper**, then mix well.
- Once the **chicken** is cooked, stir the **korma curry paste**, **mango chutney**, **half the yoghurt** and the **water for the sauce** (see pantry for amount) into the pan.
- Bring to the boil, then lower the heat and simmer until slightly thickened, 2-3 mins.

Serve

- When everything's ready, share the **couscous and beans** between your serving bowls.
- Spoon the **glazed chicken** over the top.
- Finish with spoonfuls of the **tomato salsa** and a dollop of the remaining **yoghurt**.

Enjoy!

CUSTOM RECIPE

If you've chosen to get **diced chicken breast** instead of **thigh**, cook the recipe in the same way.
