You can recycle me!

Get Prepped

- Halve the **bell pepper** and discard the core and seeds. Slice into thin strips.
- Peel and grate the **garlic** (or use a garlic press).
- Zest and cut the **lime** into wedges.
- Trim the **green beans** and chop into thirds.

Fry the Chicken

- Bring a large saucepan of **water** to the boil with $\frac{1}{4}$ **tsp salt** for the **noodles**.
- Heat a drizzle of **oil** in a large frying pan on medium-high heat.
- Once hot, add the **diced chicken** and season with **salt** and **pepper**. Fry until golden brown on the outside, 5-6 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging.

CUSTOM RECIPE

If you've chosen to get **diced chicken breast** instead of **thigh**, cook the recipe in the same way.

Bring on the Veg

- Once the **chicken** is browned, add the **sliced pepper** and **green beans** to the pan. Cook until softened, 3-4 mins.
- Once the **veg** has softened, stir in the **garlic**, **lime zest**, **bulgogi sauce** and **soy sauce**.
- Stir-fry until everything's piping hot and the **chicken** is cooked through, 1-2 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

Combine and Stir

- Once the **noodles** are cooked, add them to the **chicken stir-fry** and toss to coat in the **sauce**.
- Cook until piping hot, 1-2 mins. Add a splash of **water** if you feel it needs it.

Cook the Noodles

- Meanwhile, when your pan of **water** is boiling, add the **noodles** and cook until tender, 3-4 mins.
- Once cooked, drain in a sieve and run under **cold water** to stop them sticking together.

Serve

- Share the **bulgogi chicken noodles** between your bowls.
- Serve with a **lime wedge** on the side for squeezing over.

Enjoy!
