To Start

- If you don't have a microwave, preheat your oven to 220°C/200°C fan/gas mark 7 for the **waffles**.
- Zest and halve the **lemon**.
- Juice the **lemon** into a small saucepan and add the **water** and **three quarters** of the **sugar** (see pantry for both amounts). Stir on low heat until the **sugar** has completely dissolved, 2-3 mins. Set aside to cool.

Make the Topping

- In a small bowl, combine the **cream cheese**, **lemon zest** and remaining **sugar**.
- Warm **4 waffles** by popping them in the microwave for 30 secs. **TIP:** *Keep the remaining waffle for another recipe.*
- If you're using the oven, pop the **waffles** onto a baking tray and into the oven to warm through, 2-3 mins.

Stack and Serve

- Place **2 waffles** side-by-side on each plate. Drizzle **half** the **lemony syrup** over the **waffles**, letting it soak in.
- Once the **syrup** has soaked into the **waffles**, share the **cream cheese** evenly over the **waffles**, then stack **1 waffle** on top of the other, making **1 waffle stack** per plate.
- Scatter the **blueberries** over the **waffle stacks** and drizzle over the remaining **lemony syrup** to finish.

Enjoy!
