Eyes on the Fries

Preheat your oven to 220°C/200°C fan/gas mark 7.

Chop the **potatoes** lengthways into 1cm slices, then chop into 1cm wide fries (no need to peel).

Pop the **fries** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. TIP: *Use two baking trays if necessary.*

When the oven is hot, bake on the top shelf until golden, 30-35 mins. Turn halfway through.

Get Prepped

Meanwhile, halve, peel and thinly slice the **red onion**. Peel and grate the **garlic** (or use a garlic press).

Grate the **cheese**. Cut the **tomatoes** into 1cm chunks.

Caramelise the Onions

Heat a drizzle of **oil** in a large frying pan on medium heat.

Once hot, add the **onion**, season with **salt** and **pepper** and fry, stirring occasionally, until golden, 10-12 mins.

Add the **sugar** (see pantry for amount) and cook until caramelised, 1-2 mins more.

Transfer to a small bowl and cover to keep warm.

Cook the Beef

Wipe out the frying pan and return to medium-high heat (no oil).

Once hot, add the **beef mince** and fry until browned, 5-6 mins. Use a spoon to break it up as it cooks, then drain and discard any excess fat.

Season with **salt** and **pepper**. **IMPORTANT**: Wash your hands and equipment after handling raw mince. It's cooked when no longer pink in the middle.

Add the $\operatorname{\boldsymbol{garlic}}$ to the pan, then fry for 1 min.

Sauce Things Up

Add the **beef stock paste**, **water for the sauce** and **ketchup** (see pantry for both amounts) to the pan, then stir until combined.

Cook until the **beef** is glazed and the **sauce** has thickened, 2-4 mins.

Load Up and Serve

When everything's ready, share the **fries** between your plates.

Top with the **glazed beef**, **tomatoes** and **caramelised onions** - **fries** loaded!

Drizzle over the **burger sauce** and finish with a sprinkle of **cheese**.

Enjoy!
