Get Prepped

Trim and discard the root and the dark green leafy part from the **leek**. Halve lengthways, then thinly slice widthways.

Peel and grate the **garlic** (or use a garlic press).

Boil a full kettle. Pour the **boiled water for the stock** (see pantry for amount) into a large measuring jug. Stir in the **vegetable stock paste** - this is your **stock**.

Cook the Prawns

When the **risotto** has almost 6 mins left, drain the **prawns**.

Stir the **prawns** into the **risotto** and cook until tender, 5-6 mins. **IMPORTANT:** *Wash your hands and equipment after handling raw prawns. They're cooked when pink on the outside and opaque in the middle.*

CUSTOM RECIPE

If you've chosen to double up on **king prawns**, cook the recipe in the same way.

Start your Risotto

Heat a drizzle of **oil** in a large, wide-bottomed saucepan on medium heat.

Once hot, add the **sliced leek** and fry until softened, 4-5 mins. Stir occasionally.

Stir in the **garlic** and **tomato puree** (and a drizzle more oil if it's a bit dry). Stir and cook for 1 min.

Add the **risotto rice**, stir and cook until the edges of the **rice** are translucent, 1-2 mins. Next, add the **cider vinegar** and allow it to evaporate, 30 secs.

Finishing Touches

Once cooked, remove your **risotto** from the heat and add the **hard Italian style cheese** and a knob of **butter** (if you have any).

Stir vigorously until the **cheese** and **butter** have melted. Taste and add **salt** and **pepper** if needed. **TIP:** *Add a splash of water if you feel the risotto is looking a little dry.*

Stir in the Stock

Pour in a **third** of the **stock** and stir to combine. Bring to the boil and simmer until absorbed, then repeat with the remaining **stock**, a third at a time. Stir occasionally.

The total cooking time should take 20-25 mins and your **risotto** is done when the **rice** is 'al dente' - cooked through but with a tiny bit of firmness left in the middle.

Serve

Serve your **prawn and tomato risotto** between your bowls.

Finish by scattering the **chilli flakes** over the top (add less if you'd prefer things milder).

Enjoy!
