Nutrition for uncooked ingredients based on 2 person recipe. Reference Intake of an average adult (8400kJ/2000kcal).

Allergens

7) Milk 14) Sulphites

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

Get Prepped

- a) Drain the halloumi, then cut into 1cm chunks. Place into a small bowl of cold water and leave to soak.
- **b)** Halve the **avocado** and remove the stone. Use a tablespoon to scoop out the flesh onto a board. Cut into 2cm chunks.
- **c)** Finely chop the **parsley** (stalks and all). Peel and grate the **garlic** (or use a garlic press).
- d) To make the **chimi-harissa dressing**, in a small bowl, mix together the **parsley**, **garlic**, **red wine vinegar** and **harissa paste** (add less if you'd prefer things milder) with the **olive oil for the dressing** (see pantry for amount) and ¼ **tsp salt**. Season with **pepper** and mix until combined.

Hello Halloumi

- **a)** Remove the **halloumi chunks** from the **water**, pop them onto a plate lined with kitchen paper and pat them dry.
- **b)** Heat a drizzle of **oil** in a medium frying pan on medium-high heat.
- c) Once hot, add the halloumi and fry until golden, turning frequently, 4-5 mins.

Lunch is Served

- a) In a large bowl, add the avocado, baby leaf mix, chimi-harissa dressing, half the fried halloumi and half the avocado. Gently mix until combined.
- **b)** Divide between 2 serving bowls and top with the remaining **avocado** and **halloumi** to finish.

Enjoy!
