Start the Potatoes

Preheat your oven to 220°C/200°C fan/gas mark 7.
Remove the **steaks** from your fridge to allow them to come up to room temperature.

Halve the **salad potatoes** widthways (halve any large ones again) and put them onto a baking tray.

Drizzle with **oil**, sprinkle over the **mixed herbs**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer, cut-side down.

When the oven is hot, roast the **potatoes** on the top shelf, 20 mins.

Get Smashing

Once the **potatoes** have been cooking for 20 mins, remove them from the oven.

Use the bottom of a bowl or pan to lightly crush each **potato** half.

Sprinkle over the **Parmigiano Reggiano**, drizzle with more **oil**, then return to the top shelf until crispy and golden, 10-15 mins.

Time to Toast

Meanwhile, heat a large frying pan on medium heat (no oil).

Once hot, add the **pine nuts** and dry-fry, stirring regularly, until lightly toasted, 2-3 mins. **TIP:** Watch them like a hawk as they can burn easily.

Once toasted, transfer to a small bowl - keep the pan, you'll use it again for the **steak**.

Fry your Steaks

Pop the (now empty) frying pan back on high heat with a drizzle of **oil**.

Season the **steaks** with **salt** and **pepper**. **TIP:** Rump steaks naturally vary in shape, so adjust the following timings depending on how you like yours cooked.

Once very hot, lay the **steaks** into the pan and fry until browned and medium-rare, about 5 mins. Turn halfway through. **TIP:** Cook each side for 1 min more if you like it more well done. **IMPORTANT:** Wash your hands and equipment after handling raw meat.

Mix Things Up

Halve the **baby plum tomatoes** and pop them into a large bowl.

Drizzle over some **olive oil**, season with **salt** and **pepper**, then mix together. Set aside for now.

Pop the **pesto** into another small bowl. Loosen with a little **olive oil** until you get a nice drizzling consistency.

Rest and Serve

Once cooked, transfer the **steaks** to a board, cover with foil and allow to rest for a couple of mins.

IMPORTANT: The steak is safe to eat when browned on the outside.

When ready to serve, add the **rocket** and **pine nuts** to the bowl of **tomatoes** and toss together.

Thinly slice the **steaks**, then transfer them to your plates and drizzle over the **pesto**. Serve the **Parmesan potatoes** and **salad** on the side. Drizzle the **salad** with the **balsamic glaze** to finish.

Enjoy!
