Get Prepped

a) Preheat your oven to 220°C/200°C fan/gas mark 7.

b) Place your **baguette** in between two wooden spoon handles on a board. Make slices widthways at 2cm intervals, making sure not to cut the whole way through - you'll make approximately 12 cuts.

c) Peel and grate the **garlic** (or use a garlic press). Finely chop the **parsley** (stalks and all).

d) Drain the **mozzarella** and squeeze out as much liquid as you can. Pat dry with kitchen paper, then slice into as many rounds as you have cuts in the **bread**.

Stuff the Bread

a) Pop a small saucepan on medium-high heat and add the **olive oil**, **salt** (see pantry for both amounts) and the **butter**.

b) Allow the **butter** to melt, then add the **garlic** and cook for 1 min. Remove from the heat, season with **salt** and **pepper**, then stir in the **parsley**.

c) Pop the **baguette** onto a baking tray and use a teaspoon to spoon the **herby garlic oil** into each cut equally.

d) Push a **mozzarella slice** into each cut. **TIP:** Don't worry if the bread splits a little, the cheese will melt and stick it back together.

Ready, Steady, Bake

a) Drizzle the **hasselback garlic bread** with a little **olive oil**, then bake on the top shelf of your oven until the **cheese** is melted and slightly golden, 10-12 mins.

b) Once cooked, remove from your oven and transfer to a board.

c) Tear and share!

Enjoy!
