Reference Intake of an average adult (8400kJ/2000kcal).

Allergens

7) Milk 10) Celery 13) Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

Get Prepped

Preheat your oven to 220°C/200°C fan/gas mark 7. Bring a large saucepan of **water** to the boil with ½ **tsp salt** for the **pasta**.

Grate the **Cheddar cheese**.

Put the **blue cheese** and the **breadcrumbs** in a bowl and season with **salt** and **pepper**. Stir in the **olive oil for the crumb** (see pantry for amount), then set your **blue cheese crumb** aside for later.

Make the Creamy Sauce

While the pasta cooks, melt the **butter** (see pantry for amount) in a saucepan on medium-high heat.

Once the **butter** has melted, stir in the **flour** (see pantry for amount). Cook, stirring, until it forms a **paste**, 1-2 mins - you've made a **roux**!

Gradually stir in the **water for the sauce** (see pantry for amount) and the **veg stock paste**. Bring to the boil, stir and simmer until thickened, 1-2 mins.

Stir in the **crème fraîche**, then remove from the heat.

CUSTOM RECIPE

If you're adding **bacon**, add to the pan before the **flour**. Stir-fry, 4-5 mins, then add the **flour** and continue as instructed. **IMPORTANT:** Wash hands and utensils after handling raw meat. Cook it thoroughly.

Roast the Cauli

Halve any large **cauliflower florets** and pop them into an ovenproof dish. Drizzle with **oil** and season with **salt** and **pepper**, then toss to coat. Spread out in a single layer.

When the oven is hot, roast on the top shelf until golden brown and tender, 15-20 mins. Turn halfway through.

Assemble the Mac and Cheese

Add the **grated cheese** to the **sauce** and stir until melted.

Next, stir the **roasted cauli** and **cooked pasta** through the **sauce**, then pour back into the ovenproof dish.

Turn your grill on to high.

Cook the Macaroni

Meanwhile, when your pan of **water** is boiling, stir in the **macaroni** and bring back to the boil. Cook until tender, 12 mins.

Once cooked, drain in a colander and pop back into the pan. Drizzle with **oil** and stir through to stop it sticking together.

Grill and Serve

Sprinkle the **blue cheese crumb** evenly over the top, then grill the **mac and cheese** on the top shelf of your oven until the **crumb** is golden, 3-5 mins.

Serve your **mac and cheese** in bowls with the **sriracha sauce** drizzled over the top (add less if you'd prefer things milder).

Enjoy!
