Reference Intake of an average adult (8400kJ/2000kcal).

## Allergens

### 3) Sesame 7) Milk

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

## Hello Halloumi

- Drain the **halloumi**, pat dry with kitchen paper and slice into 1cm thick batons.
- Thinly slice the **red chilli** (prepare less if you'd prefer things milder).
- Zest and cut the **lime** into wedges.

## Into the Pan

- Heat a drizzle of **oil** in a large frying pan on medium heat. Once hot, fry the **halloumi** until golden, turning frequently, 4-5 mins.
- Remove the pan from the heat and add the **honey**, **lime zest**, **half** the **chilli** and **half** the **sesame seeds**. **TIP:** If your honey has hardened, put the sachet in a bowl of hot water for 1 min to loosen.
- Stir until the **halloumi** is well coated.

## Finish and Serve

- Transfer your sticky **honey-sesame halloumi** to a sharing dish.
- Sprinkle over the remaining **chilli** and **sesame seeds**.
- Serve with **lime wedges** for squeezing over.

Enjoy!
