Allergens

3) Sesame **7)** Milk **11)** Soya **13)** Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

Bring on the Garlic Baguette

a) Preheat your oven to 220°C/200°C fan/gas mark 7.

b) Halve the **baguette** lengthways. Peel and grate the **garlic** (or use a garlic press).

c) In a small bowl, combine the **garlic** and the **olive oil** (see pantry for amount). Season generously with **salt** and **pepper**.

d) Spread the **garlic oil** over the cut sides of the **baguette**. Transfer the **baguette halves** to a baking tray, cut-side up and bake on the top shelf of the oven until crisp and golden, 8-10 mins.

Make your Carbonara Topping

a) Meanwhile, heat a drizzle of **oil** in a frying pan on medium-high heat. Once hot, add the **bacon lardons**. Stir-fry until golden, 4-5 mins. **IMPORTANT:** Wash your hands and equipment after handling raw meat. Cook bacon thoroughly.

b) While the **bacon** fries, combine in a medium bowl the **creme fraiche**, **half the cracked black pepper** and **three quarters of the Parmigiano Reggiano**.

Load it Up

a) Once baked, remove the **garlic baguette halves** from the oven and divide the **creamy cheese mixture** evenly over each **half**.

b) Divide the **cooked bacon** over the top of the **cheese mixture**, then sprinkle over the remaining **Parmigiano Reggiano** and **cracked black pepper**.

c) Pop back into the oven until melted and golden, 8-10 mins, then transfer to a sharing platter to serve.

Enjoy!
