## Get Prepped

a) Preheat your oven to 220°C/200°C fan/gas mark 7.

b) Pat the **basa** with kitchen paper to remove any excess moisture. Slice each **basa fillet** lengthways into 2cm wide strips and season with **salt** and **pepper**.

c) Crack the **egg** (see pantry for amount) into a medium bowl and whisk.

d) Put the **breadcrumbs** into another bowl, then season with **salt** (see pantry for amount) and **pepper**.

## Bread your Fish Fingers

a) Dip each piece of **fish** into the **egg**, then into the **breadcrumbs**, ensuring they're completely coated.

b) Transfer to a lined baking tray.

c) Drizzle the **fish fingers** with a little **oil**, then bake on the middle shelf until the **fish** is cooked, 15-18 mins. **IMPORTANT:** Wash your hands and equipment after handling raw fish. It's cooked when opaque in the centre.

## Make the Tartare Sauce

a) While the **fish** bakes, zest and quarter the **lemon**. Finely chop the **parsley** (stalks and all). Finely chop the **capers**.

b) In a small bowl, combine a pinch of **lemon zest**, the **capers**, **mayonnaise** and **three quarters** of the **parsley**. Season with **salt** and **pepper**, then squeeze in **lemon juice** to taste. This is your **tartare sauce**!

c) Once baked, add your **fish fingers** to a serving dish and sprinkle over the the remaining **parsley**.

d) Serve the **tartare sauce** on the side for dipping. Squeeze over any remaining **lemon** if you'd like.

Enjoy!
