Make your Cake Batter

a) Preheat your oven to 180°C/160°C fan/gas mark 4. Line 2 loaf tins with baking paper.

b) Zest and juice the lemons.

c) In a large bowl, combine the **Betty Crocker's cake mix, lemon zest, eggs, water** and **vegetable oil** (see pantry for all three amounts).

d) Gently stir until fully combined, 2-3 mins.

Soak It Up

a) Once baked, remove the **cakes** from the oven, then, using a skewer (or another pointy utensil), poke 15-20 holes in the top of each **loaf**.

b) Gently spoon the **lemon syrup** over each **loaf cake** and allow it to soak in.

c) Allow the **cakes** to cool for 10 mins before removing from the tins, then allow to cool completely.

Ready, Steady, Bake

a) Divide the **lemon cake mixture** between your lined loaf tins and pop onto the middle shelf of your oven until risen and golden, 27-30 mins, or until a rounded knife inserted in the centre comes out clean.

TIP: A few crumbs are okay!

Hello Pistachio

a) While the **cakes** cool, remove the **pistachios** from their shells, then roughly chop.

Bring on the the Lemon Syrup

a) Meanwhile, combine in a small saucepan the **lemon juice** and **caster sugar**.

b) Stir on medium heat until the **sugar** is dissolved, 2-3 mins.

Decorate and Serve

a) Carefully sprinkle the **pistachios** in a line down the centre of each **loaf** to finish.

Enjoy!
