## Get Prepped

**a)** If you don't have a microwave, preheat your oven to 220°C/200°C fan/gas mark 7 for the **waffles**.

**b)** Crush the **peanuts** in the unopened sachet using a rolling pin, then pop into a small bowl. Stir **1 tbsp** each of the **milk** and **white chocolate chips** into the bowl of **peanuts**, then set aside for serving.

**c)** Pop a small saucepan on medium heat, add the **creme fraiche** and gently bring to a simmer, 2-4 mins.

**d)** Meanwhile, pop the remaining **chocolate chips** and **white chocolate chips** into 2 separate small bowls.

## Make the Chocolate Ganaches

**a)** Once the **creme fraiche** has warmed, divide it equally between the 2 small bowls of **chocolate chips**.

**b)** Mix the **chocolate** and **creme fraiche** together until the **chocolate** is fully melted and combined, 1 min. These are your **ganaches**!

**c)** Warm **4 waffles** by popping them in the microwave for 30 secs. If you're using the oven, pop the **waffles** onto a baking tray and into the oven to warm through, 2-3 mins.

**TIP:** Keep the remaining waffle for another recipe.

## Stack and Serve

**a)** When the **waffles** have warmed through, start to build your **stack**!

**b)** Spread the **white chocolate ganache** evenly over **2** of the **waffles**, then spread the **milk chocolate ganache** evenly over the remaining **waffles**.

**c)** Place **one white chocolate waffle** on each plate, then top with a **milk chocolate waffle**, creating **2 waffle stacks** on 2 serving plates.

**d)** Sprinkle over the reserved **peanut and chocolate chip mixture** to finish.

Enjoy!
