Chip, Chip, Hooray

Preheat your oven to 220°C/200°C fan/gas mark 7.

Chop the **potatoes** lengthways into 1cm slices, then chop into 1cm wide chips (no need to peel).

Trim the **baby gem**, reserve **2 whole leaves** per person, then halve lengthways and thinly slice. Set aside.

Pop the **chips** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. **TIP:** Use two baking trays if necessary.

When the oven is hot, bake on the middle shelf until golden, 30-35 mins. Turn halfway through.

Time to Bake

Pop the **meatballs** onto another large baking tray.

Bake on the top shelf until browned on the outside and cooked through, 12-15 mins. **IMPORTANT:** The meatballs are cooked when no longer pink in the middle.

Meanwhile, in a small bowl, mix together the **sriracha** and **mayonnaise** (see pantry for amount). Halve the **ciabatta**.

Make your Meatballs

While the **chips** are in the oven, in a large bowl, combine the **ginger, garlic & lemongrass puree**, **Thai style spice blend**, **breadcrumbs**, **salt** and **water for the breadcrumbs** (see pantry for both amounts), then add the **pork mince**.

Season with **pepper** and mix together with your hands. Roll into evenly-sized balls, 5 per person.

IMPORTANT: Wash your hands and equipment after handling raw mince.

Finishing Touches

When everything's nearly ready, toast the **ciabatta halves** in your toaster until golden.

Alternatively, if you don't have a toaster, pop the **ciabatta** into the oven to warm through, 2-3 mins.

Once the **meatballs** have cooked, remove the tray from the oven. Drain and discard the fat, then drizzle over the **honey** (see pantry for amount). Carefully turn the **meatballs** to coat them in the **glaze**.

Get in a Pickle

Next, trim and peel the **carrot**. Use the peeler to peel long ribbons down the length of the **carrot**, stopping at the core.

In another large bowl, combine the **rice vinegar**, a drizzle of **oil**, a pinch of **salt** and the **sugar for pickling** (see pantry for amount).

Add the **carrot ribbons**, mix together, then set aside to pickle.

Stack up and Serve

When everything's ready, spread the **sriracha mayo** over the cut sides of the **ciabatta**. Squeeze the **carrot** to remove some of the **pickling liquid**. Top the **bases** with the **reserved salad leaves** and the **pickled carrot**.

Arrange the **meatballs** over the **carrot**, then place the **ciabatta lid** on top.

Toss the remaining **baby gem** through the **carrot pickling liquid** and serve with the **chips** alongside.

Enjoy!
