## Allergens

7) Milk 8) Egg 10) Celery 14) Sulphites

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

## Get Prepped

Preheat your oven to 220°C/200°C fan/gas mark 7.

Remove the **lamb steaks** from your fridge to allow them to come up to room temperature.

Bring a large saucepan of **water** with  $\frac{1}{2}$  tsp salt to the boil. Peel and slice the **potatoes** into 1cm thick rounds.

Once boiling, add the **potato slices** to the **water** and simmer until just tender, 8-12 mins.

Meanwhile, trim the **green beans**. Peel and grate the **garlic** (or use a garlic press).

## Stir-Fry the Beans

Meanwhile, heat a drizzle of **oil** in another frying pan on medium-high heat.

Once hot, add the **green beans** and stir-fry until starting to char, 2-3 mins. Stir in the remaining **garlic**, then turn the heat down to medium and cook for 1 min.

Add a splash of **water** and immediately cover with a lid or some foil. Allow to cook until the beans are tender, 4-5 mins.

## Assemble your Dauphinoise

Once the **potatoes** are cooked, reserve some of the **potato water** (see pantry for amount), then carefully drain into a colander.

Heat a drizzle of **oil** in a large frying pan on medium heat. Once hot, add **half** the **garlic** and cook until fragrant, 30 secs.

Add the **crème fraîche**, **chicken stock paste**, **reserved potato water** and the **cheese**. Mix together, bring to the boil, then remove from the heat. Season to taste.

Lay the **cooked potato slices** in layers in an appropriately sized ovenproof dish, then pour over the **creamy sauce**. Bake on the top shelf of your oven until golden brown, 15-20 mins. **TIP:** Put the dish onto a baking tray to catch any drips.

## Red Wine Jus Time

While the **green beans** cook, heat your (now empty) **steak** pan on medium heat.

Pour in the **water for the jus** (see pantry for amount), then bring to the boil on high heat. Stir in the **red wine jus paste**, then reduce the heat to medium. **TIP:** If your red wine jus paste has hardened, put the sachet in a bowl of hot water for 1 min to loosen.

Allow the **sauce** to bubble and thicken, stirring regularly, 4-6 mins, then remove from the heat.

## Cook the Lamb

When the **dauphinoise** has 10 mins of cooking time left, wipe out your frying pan and put on high heat with a drizzle of **oil**. Season the **lamb steaks** with **salt** and **pepper**. **TIP:** Lamb steaks naturally vary in shape, so adjust the following timings depending on how you like yours cooked.

Once hot, lay the **steaks** into the pan and fry until browned and medium-rare, 8-10 mins total. Turn every 2 mins. **TIP:** Cook each side for 1-2 min more if you like it more well done.

When cooked, transfer to a plate and leave to rest, covered loosely with foil. **IMPORTANT:** Wash your hands and equipment after handling raw meat. They're safe to eat when browned on the outside.

## Serve

When everything's ready, slice the **lamb steaks** widthways and share between your plates.

Serve with the **dauphinoise** and **garlicky green beans** alongside.

Spoon over the **red wine jus** to finish.

## Enjoy!
