Allergens

7) Milk **9)** Mustard **13)** Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

Get the Rice On

Pour the **water for the rice** (see pantry for amount) into a medium saucepan with a tight-fitting lid.

Stir in the **rice** with **¼ tsp salt** and bring to the boil. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

Warm the Naans

If you don't have a toaster, heat your oven to 220°C/200°C fan/gas mark 7 for the **naans** while the **sauce** simmers.

When the **curry** has 5 mins left to cook, cut the **naans** in half widthways, then put in your toaster until golden.

If you're using the oven, put the **naans** onto a baking tray. Sprinkle with a little **water** and pop them into the oven to warm through, 2-3 mins.

Fry the Chicken

Meanwhile, peel and grate the **garlic** (or use a garlic press).

Roughly chop the **coriander** (stalks and all).

Heat a drizzle of **oil** in a large frying pan on medium-high heat.

Once hot, add the **diced chicken** and season with **salt** and **pepper**. Fry until browned all over, 5-6 mins. Turn occasionally. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging.

Bring on the Butter

Once the **sauce** has thickened and the **chicken** is cooked, vigorously stir in **two thirds** of the **butter** until melted.

Taste and season with **salt** and **pepper** if needed.

Curry Up

Once the **chicken** is browned, stir in the **garlic**, **korma curry paste** and **North Indian style spice mix**. Cook for 1 min.

Add the **tomato puree**, **chicken stock paste**, **creme fraiche**, **sugar** and **water for the sauce** (see pantry for both amounts). Stir together, then bring to the boil.

Lower the heat and simmer gently until the **sauce** has thickened and the **chicken** is cooked through, 8-10 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

Serve

When everything's ready, fluff up the **rice** with a fork and share between your bowls.

Top with your **ultimate butter chicken**. Spread the remaining **butter** over the **naans** and serve them alongside.

Finish with a scattering of the **coriander**.

Enjoy!
