Fry the Beef

- Preheat your oven to 240°C/220°C fan/gas mark 9.
- Heat a medium frying pan on medium-high heat (no oil).
- Once hot, add the **beef mince** and fry until browned, 5-6 mins. Use a spoon to break it up as it cooks, then drain and discard any excess fat.
- Season with **salt** and **pepper**. **IMPORTANT:** Wash your hands and equipment after handling raw mince. It's cooked when no longer pink in the middle.

+ Add Diced Chorizo

If you're adding **chorizo**, add to the pan with the **mince**. Fry for the same amount of time.

Mix the Salad Dressing

- While the **quesadillas** bake, pop the **cider vinegar** and **sugar** and **olive oil for the dressing** (see pantry for both amounts) into a large bowl.
- Season with **salt** and **pepper**, then mix together.

Build the Flavour

- While the **beef** cooks, peel and grate the **garlic** (or use a garlic press). Grate the **cheese**.
- Once the **beef** is browned, add the **garlic**, **Central American style spice mix** and **tomato puree**. Stir-fry for 1 min.
- Stir in the **water for the sauce** (see pantry for amount) and cook until thickened, 2-3 mins.
- Once thickened, remove from the heat and stir in the **BBQ sauce**. Taste and season with **salt** and **pepper** if needed.

Bring on the Baby Gem

- Trim the **baby gem**, separate the leaves, then tear into bite-sized pieces.
- Just before serving, add the **baby gem** to the bowl of **dressing** and toss to coat.

Make your Quesadillas

- Lay the **tortillas** (2 per person) onto a lightly oiled baking tray and spoon the **beef filling** onto one half of each one.
- Top with the **cheese**, then fold the other side over to make a semi-circle. Press down to keep together.
- Rub a little **oil** over the top of each one.
- Bake your **quesadillas** on the top shelf of your oven until golden, 5-7 mins.

Serve

- When ready, share the **BBQ beef quesadillas** between your plates.
- Serve with the **salad** alongside.

Enjoy!
