Allergens

7) Milk **8**) Egg **9**) Mustard **13**) Cereals containing gluten

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, mollusc, milk, egg, mustard, celery, soya, cereals containing gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email. Be careful when adding water to hot pans while cooking.

Chip, Chip, Hooray

Preheat your oven to 220°C/200°C fan/gas mark 7.

Chop the **potatoes** lengthways into 1cm slices, then chop into 1cm wide chips (no need to peel).

Pop the **chips** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. **TIP: Use two baking trays if necessary.**

When the oven is hot, bake on the top shelf until golden, 25-30 mins. Turn halfway through.

Make your Buffalo Sauce

While the **chicken** bakes, grate the **Cheddar cheese**. Trim the **baby gem**, halve lengthways, then thinly slice.

Carefully discard the hot **oil** from the **chicken** pan, then wipe out and return to medium-high heat.

Add the **hot sauce**, **honey** and **crème fraîche** to the pan, bring to the boil and cook until thickened, 1-2 mins. **TIP: If your honey has hardened, put the sachet in a bowl of hot water for 1 min to loosen.**

Add a splash of **water** if it's a little too thick, then remove from the heat.

Bread the Chicken

Meanwhile, sandwich each **chicken breast** between two pieces of baking paper or cling film. Pop onto a board, then bash with a rolling pin or the bottom of a saucepan until it's 1-2cm thick. Season with **salt** and **pepper**.

Crack the **egg** (see pantry for amount) into a medium bowl and whisk. In another medium bowl, combine the **breadcrumbs**, **Central American style spice mix** and the **salt** (see pantry for amount).

Dip the **chicken** into the **egg** and then the **breadcrumbs**, ensuring it's completely coated.

Transfer to a clean plate. **IMPORTANT: Wash your hands and equipment after handling raw chicken and its packaging and discard any excess egg.**

Finishing Touches

Put the **ranch dressing** in a medium bowl.

When the **chips** have 5 mins left, sprinkle over **half** the **cheese** and return to the oven to melt.

Add the **baby gem** to the **ranch dressing** and toss to coat.

Pop the **tortillas** (3 per person) into the oven to warm through, 1-2 mins.

Time to Fry

Pop a large frying pan on high heat and add enough **oil** to coat the bottom of the pan. **TIP: You want the oil to be hot so the chicken fries properly - heat for 2-3 mins before you add the chicken.**

Once hot, carefully lay the **chicken** into the pan, and fry until golden brown, 2-3 mins on each side. Adjust the heat if necessary.

Transfer the **chicken** to a large baking tray, then bake on the middle shelf until cooked through, 8-10 mins. **IMPORTANT: The chicken is cooked when no longer pink in the middle.**

Assemble and Serve

When everything's ready, thinly slice the **crispy chicken** widthways into 2cm thick slices.

Share the **tortillas** between your plates. Top with the **ranch salad**, **crispy chicken slices**, a drizzle of **buffalo sauce** and a sprinkle of the remaining **cheese** - as much as you'd like.

Serve your **tacos** and **chips** with the **mayo** (see pantry for amount) and any remaining **buffalo sauce** for dipping. **TIP: Tacos are best enjoyed eaten by hand - get stuck in!**

Enjoy!
