Roast the Potatoes

Preheat your oven to 200°C. Chop the **potatoes** into 2cm chunks (no need to peel). Pop the **potatoes** onto a low sided wide baking tray. Drizzle with **oil**, then season with **salt** and **pepper**. Toss to coat, then spread out in a single layer. Once your oven is hot, roast on the middle shelf of your oven until golden, 25-30 mins. Turn halfway through cooking. **Tip:** Use two baking trays if necessary, you want the potatoes nicely spread out.

Make the Paprika Mayo

Meanwhile in a separate small bowl mix the **mayonnaise**, **paprika** and **water** (see ingredients for amount). Season with **salt** and **pepper** and set aside for later.

Make your Crumb

In a small bowl, mix the **panko breadcrumbs**, **grated hard Italian style cheese** and **olive oil** (see ingredients for amount). Mix to combine. Season with **salt** and **pepper**.

Cook the Broccoli

Chop the **broccoli** into florets (like small trees!). Halve any large **florets**. Peel and grate the **garlic** (or use a garlic press). Heat a drizzle of **oil** in a frying pan on high heat. Once hot add the **broccoli**, and fry, constantly stirring, until tender, 2-3 mins. Then add the **garlic** and a splash of **water**. Cover with a lid or some tin foil and cook until tender, 4-5 mins.

Bake the Hake

Pat the **hake** with kitchen paper to remove any excess moisture. Lay the **hake fillets** onto a baking tray lined with baking paper. Drizzle with **oil** and season with **salt** and **pepper**. Divide the **breadcrumb mix** evenly between the two **fillets** and press down firmly to keep in place. Pop on the top shelf of the oven and bake until the **crumb** is golden and the **fish** is cooked through, 10-15 mins. **IMPORTANT:** The fish is cooked when it is opaque all the way through.

Serve Up

Share the **roasted potatoes** among your plates. Serve the **hake** and **broccoli** alongside and drizzle over the **paprika mayo**.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
