## Cook the Bulgur

**a)** Pour the **water for the bulgur** (see pantry for amount) into a large saucepan, stir in the **chicken stock paste** and bring to the boil.

**b)** Stir in the **bulgur**, bring back up to the boil and simmer for 1 min.

**c)** Pop a lid on the pan and remove from the heat. Leave to the side for 12-15 mins or until ready to serve.

## Goulash Time

**a)** Stir the **garlic** and **smoked paprika** into the **beef**. Cook for 30 secs.

**b)** Pour the **passata**, **red wine stock paste**, **sugar** and **water for the sauce** (see pantry for both amounts).

**c)** Bring to a boil, then reduce the heat slightly and simmer until thickened, 4-5 mins.

## Prep the Veg

**a)** Meanwhile, halve, peel and chop the **onion** into small pieces.

**b)** Peel and grate the **garlic** (or use a garlic press).

**c)** Halve the **bell pepper** and discard the core and seeds. Chop into 1cm chunks.

## Season to Taste

**a)** Once your **stew** has thickened, taste and season with **salt**, **pepper** and more **sugar** if needed.

**b)** Add a splash of **water** if it's a little too thick.

## Get Frying

**a)** Heat a drizzle of **oil** in a large frying pan on medium-high heat.

**b)** Once hot, add the **beef mince**, **bell pepper** and **onion**. Fry until the **mince** is browned, 5-6 mins.

**c)** Use a spoon to break up the **mince** as it cooks, then drain and discard any excess fat. Season with **salt** and **pepper**. **IMPORTANT:** Wash your hands and equipment after handling raw mince. It's cooked when no longer pink in the middle.

## Serve Up

**a)** Fluff up the **bulgur** with a fork and share between your bowls.

**b)** Top with your **beef goulash inspired stew**.

**c)** Finish with a dollop of **soured cream** over the top.
