Get Prepped

Preheat your oven to 220°C/200°C fan/gas mark 7.
Bring a large saucepan of **water** to the boil with $\frac{1}{2}$ **tsp salt** for the **pasta**.

Grate the **Cheddar cheese**.

Put the **blue cheese** and **panko breadcrumbs** in a bowl and season with **salt** and **pepper**. Stir in the **olive oil for the crumb** (see pantry for amount), then set your **crumb** aside for later.

Make the Sauce

While the **pasta** cooks, melt the **butter** (see pantry for amount) in a saucepan on medium-high heat.

Once the **butter** is hot, stir in the **flour** (see pantry for amount). Cook until it forms a **paste**, 1-2 mins - you've made a **roux**!

Gradually stir in the **water for the sauce** (see pantry for amount) and **veg stock paste**. Bring to the boil, stir and simmer until thickened, 1-2 mins.

Stir in the **creme fraiche**, then remove from the heat.

Roast the Cauli

Halve any large **cauliflower florets** and pop them into an ovenproof dish. Drizzle with **oil** and season with **salt** and **pepper**, then toss to coat. Spread out in a single layer.

When the oven is hot, roast on the top shelf until golden brown and tender, 15-20 mins. Turn halfway through.

Assemble the Mac and Cheese

Add the **Cheddar cheese** to the **sauce** and stir until melted. Taste and season with **salt** and **pepper** if needed.

Stir the **roasted cauli** and **cooked pasta** through the **sauce**, then pour back into the ovenproof dish and combine well.

Turn your grill on to high.

Cook the Macaroni

Meanwhile, when your pan of **water** is boiling, add the **macaroni** and bring back to the boil. Cook until tender, 12 mins.

Once cooked, drain in a colander and pop back into the pan. Drizzle with **oil** and stir through to stop it sticking together.

Grill and Serve

Sprinkle the **blue cheese crumb** evenly over the top, then grill the **mac and cheese** on the top shelf of your oven until the **crumb** is golden, 3-5 mins.

Serve your **mac and cheese** in bowls with the **sriracha** drizzled over the top (careful, it's hot - add less if you'd prefer things milder).

Enjoy!
