Char your Corn

Preheat your oven to 200°C. Heat a large frying pan on medium-high heat (no oil). Drain the **sweetcorn** in a sieve. Once the pan is hot, add the **sweetcorn** and cook until charred, 5-6 mins. Stir only twice during this time - you want the **sweetcorn** to pick up some nice colour. Transfer to a medium bowl.

Get Prepping

Meanwhile, halve the **baby plum tomatoes** and add them to the bowl with the **corn**. Zest and halve the **lime**. Peel and grate the **garlic** (or use a garlic press). Drain and rinse the **kidney beans** in a sieve. Pop **half** the **beans** into another bowl and mash with the back of a fork.

Make the Filling

Pop the (now empty) pan back on medium-high heat with a drizzle of **oil**. When hot, add the **diced chicken thigh** and **chorizo**. Stir-fry until browned, 5-6 mins. **IMPORTANT**: Wash your hands and equipment after handling raw chicken and its packaging. Stir in the **garlic**, **chipotle paste** (add less if you don't like too much heat) and **tomato puree**. Cook for 1 more min, then stir in the **water for the sauce** (see ingredients for amount), **chicken stock paste** and **kidney beans** (whole and crushed).

Finish and Serve

Meanwhile, drizzle a little **oil** over the **charred corn salad**. Squeeze in some **lime juice**, season with **salt** and **pepper**, then mix together. In a small bowl, combine the **creme fraiche** and **lime zest**. Cut any remaining **lime** into **wedges**. When the **enchiladas** are ready, divide them between your plates (2 per person) and serve with the **charred corn salad** and a dollop of **zesty creme fraiche**. Serve the **lime wedges** alongside for squeezing over.

Enjoy!

Finish the Prep

Bring the **mixture** to the boil, then reduce the heat and simmer until the **chicken** is cooked through and the **sauce** has thickened, 3-4 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle. Meanwhile, grate both types of **cheese**. Trim the **baby gem**, halve lengthways, then thinly slice widthways. Add the **lettuce** to the bowl with the **corn** and **tomatoes**.

spoon the **filling** down the centre of each, then roll them up to enclose the **filling**. Drizzle a little **oil** over the bottom of an ovenproof dish, then lay in the **wraps**. Pack them snugly, side by side, with the folded edge underneath so they don't unroll. Top with both **grated cheeses**. Bake your **enchiladas** on the top shelf of your oven until golden brown, 10-12 mins.
