Cook the Rice

Pour the water for the rice (see pantry for amount) into a medium saucepan with a tight-fitting lid.

Stir in the rice and chicken stock paste, then bring to the boil. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the rice will continue to cook in its own steam).

Add the Plums and Veg

Once the chicken is cooked, add the plum and sugar (see pantry for amount) to the pan. Cook for 1 min more.

Add the **pak choi** and **garlic**, then cook, stirring regularly, until the **pak choi** has softened, 1-2 mins.

Fry the Chicken

While the rice cooks, heat a drizzle of oil in a large frying pan or wok on medium-high heat.

Once hot, add the diced chicken and season with salt and pepper.

Fry until golden brown on the outside and cooked through, 8-10 mins. IMPORTANT: Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

CUSTOM RECIPE

If you've chosen to get diced chicken breast instead of **thigh**, cook the recipe in the same way.

Prep Time

Meanwhile, halve the **plums**, remove the stones and chop the flesh into 1cm pieces.

Trim the **pak choi**, then thinly slice widthways. Peel and grate the **garlic** (or use a garlic press).

Zest and halve the lime, then cut one half into wedges

Sauce Things Up

Pour the hoisin sauce, ketjap manis and water for the sauce (see pantry for amount) into the pan and squeeze in half the lime juice.

Stir well to combine. Season to taste with salt, pepper and more sugar if needed. IMPORTANT: The chicken is cooked when no longer pink in the middle.

Serve

When ready, fluff the rice up with a fork and stir through the lime zest.

Share the **zesty rice** between your bowls and top with the chicken stir-fry.

Serve with the **lime wedges** for squeezing over.

Enjoy!
