Nutrition for uncooked ingredients based on 2 person recipe. Reference Intake of an average adult (8400kJ/2000kcal).

#### Allergens 11) Soya

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

## **Get Prepped**

Halve, peel and chop the **shallot** into small pieces. Trim the **courgette**, then quarter lengthways. Chop widthways into small pieces.

Peel and grate the garlic (or use a garlic press). Zest the lime and cut into wedges.

# Cook the Rice

Pour the water for the rice (see pantry for amount) into a medium saucepan with a tight-fitting lid.

Stir in the rice and 1/4 tsp salt and bring to the boil. Once boiling, turn the heat down to medium and cover with the lid.

Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the rice will continue to cook in its own steam).

# Start the Curry

Meanwhile, heat a drizzle of **oil** in a large frying pan on medium-high heat.

Once hot, add the **diced chicken** and season with salt and pepper. Cook until browned all over, 5-6 mins. Turn occasionally. IMPORTANT: Wash your hands and equipment after handling raw chicken and its packaging.

Add the **shallot** and cook until softened, 4-5 mins.

Stir in the Indonesian style spice mix and garlic. Cook, stirring, for 1 min.

#### CUSTOM RECIPE

If you've chosen to get **diced chicken breast** instead of **thigh**, cook the recipe in the same way.

# Simmer the Sauce

Stir in the coconut milk, water for the curry (see pantry for amount) and **courgette**, then season with salt and pepper.

Bring to the boil, then reduce the heat slightly and simmer until the sauce has thickened, the **courgette** is tender and the **chicken** is cooked through, 8-10 mins. Stir occasionally. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

# **Finish Up**

When the **curry** is cooked, stir in the **ketiap manis** and a squeeze of juice from a lime wedge...

Add a splash of **water** if it's a little thick. Taste and season with salt and pepper if needed.

Fluff up the **rice** with a fork and stir through the lime zest.

## Serve

When ready, share the **rice** between your bowls.

Top with the **chicken curry** and serve with the remaining **lime wedges** for squeezing over.

## Enjoy!
