### **Allergens**

7) Milk 14) Sulphites

Always remember to check your ingredient packaging for the most up to date information on allergens and traces of allergens. Boxes are packed in facilities that handle peanut, nut, sesame, fish, crustaceans, milk, egg, mustard, celery, soya, gluten and sulphites.

Use separate equipment to handle raw and cooked meat (or wash between uses). Missing or replaced ingredients, as well as any recipe step changes, will be communicated where possible via email.

# Cook the Wedges

Preheat your oven to 220  $^{\circ}$  C/200  $^{\circ}$  C fan/gas mark 7.

Chop the **potatoes** into 2cm wide wedges (no need to peel). Pop onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat.

Spread out in a single layer. TIP: Use two baking trays if necessary.

When the oven is hot, roast on the top shelf until golden, 25-35 mins. Turn halfway through.

# **Get Prepped**

While the **wedges** cook, trim and thinly slice the **spring onion**. Trim the **carrot**, then coarsely grate (no need to peel). Grate the **cheese**.

Drain and rinse the **black beans** in a sieve (see ingredients for amount). Pop **half** the **beans** into a medium bowl and roughly mash with the back of a fork.

# Fry the Chicken

Next, heat a drizzle of **oil** in a frying pan on medium-high heat.

Once hot, add the **diced chicken** and season with **salt** and **pepper**. Fry until golden brown on the outside and cooked through, 8-10 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

Once cooked, transfer to your chopping board and roughly chop into small pieces.

#### **CUSTOM RECIPE**

If you've chosen to get **diced chicken breast** instead of **thigh**, cook the recipe in the same way.

# Bring on the BBQ Sauce

Return the (now empty) frying pan to medium heat, no need to clean.

Add the **BBQ sauce**, **cider vinegar**, **chipotle paste**, **water for the sauce** (see pantry for amount) and a pinch of **salt** and **pepper**. Stir to combine and bring to a simmer.

### Combine and Simmer

Stir the **grated carrot** and **black beans** (both whole and mashed) through the **BBQ sauce mixture** and cook until thickened, 4-5 mins.

TIP: Stir frequently and cook for a bit longer if you need to - you want it really thick!

Once thickened, stir in the **chopped chicken** and simmer for 2 mins, then remove from the heat.

Taste and season with **salt** and **pepper** if needed.

#### **Bake and Serve**

When the **wedges** are cooked, transfer them to an ovenproof dish. Spoon the **chicken and BBQ sauce mixture** on top - **wedges** loaded!

Sprinkle over the **cheese**, then bake in the oven until golden and bubbling, 5-6 mins.

When ready, remove from the oven, share between your plates and scatter over the **spring onions** to finish.

Enjoy!
