Roast the Butternut

Preheat your oven to 220°C/200°C fan/gas mark 7.
Trim the **butternut squash**, halve lengthways, then scoop out the seeds (peel first if you prefer). Cut into 1cm chunks.

Pop the **diced butternut** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. **TIP:** Use *two baking trays if necessary*.

When the oven is hot, roast on the top shelf until golden and cooked through, 25-30 mins. Turn halfway through.

Bring on the Soup

Add the **coconut milk**, **veg stock paste**, **sugar** and **water for the soup** (see pantry for both amounts).

Bring to the boil, then lower the heat to medium and simmer until starting to thicken, 8-10 mins.

Taste and season with **salt** and **pepper**.

Toast the Cashews

Meanwhile, heat a medium frying pan on medium heat (no oil).

Once hot, add the **cashews** and dry-fry, stirring regularly, until lightly toasted, 1-2 mins. **TIP:** *Watch them like a hawk as they can burn easily*. Set aside for later.

Peel and grate the **garlic** (or use a garlic press). Halve, peel and chop the **onion** into small pieces. Cut the **lime** into **wedges**.

Add the Veg

While the **soup** simmers, put the **naans** onto a baking tray. Sprinkle with a little **water** and pop them into the oven to warm through, 2-3 mins.

Once roasted, add the **butternut** to the **soup**, then stir in the **spinach** a handful at a time until wilted and piping hot, 1-2 mins.

Add a squeeze of **lime juice**, then taste and add more **salt**, **pepper** and **lime** if needed.

Get Frying

Heat a drizzle of **oil** in a large saucepan on medium-high heat.

Once hot, add the **onion** and fry until softened, 4-5 mins.

Stir through the **garlic**, **ginger puree** and **yellow Thai style paste** and cook until fragrant, 1 min.

Serve

Share the **soup** between your bowls and top with the **cashew nuts**.

Serve with the **naan** and any remaining **lime wedges** alongside.

Enjoy!
