Prep Time

Bring a large saucepan of **water** to the boil with **¼ tsp salt** for the **noodles**.

Meanwhile, quarter the **mushrooms**. Halve the **pepper** and discard the core and seeds. Chop into 2cm pieces. Zest and halve the **lime**.

Once boiling, add the **noodles** to the **water** and cook until tender, 4 mins. Once cooked, drain in a sieve and run under **cold water** to stop them sticking together.

Crush the Peanuts

Meanwhile, crush the **peanuts** in the unopened sachet using a rolling pin.

Build the Spicy Flavour

Pop the (now empty) saucepan back on medium-high heat with a drizzle of **oil**.

When hot, add the **mushrooms** and **pepper**. Stir and cook until softened, 2-3 mins.

Stir in the **Thai style spice blend** (add less if you'd prefer things milder) and **ginger, garlic & lemongrass puree**, then fry until fragrant, 30 secs.

Add the Noodles

When the **veg** has softened, stir the **cooked noodles** into the **laksa** and heat through until piping hot, 1 min.

Add a splash of **water** if it's a little too thick.

Simmer your Laksa

Stir in the **coconut milk, vegetable stock paste** and **water for the sauce** (see pantry for amount).

Bring to a boil, then lower the heat and stir in the **peanut butter** until well combined. Simmer gently until the **veg** has softened, 3-4 mins.

Season and Serve

Stir in the **soy sauce** and **lime zest**, then add **lime juice** and **salt** to taste.

Share the **veggie laksa** between your bowls and finish with a sprinkle of **peanuts** over the top.

Enjoy!
